Owner Declaration

I _____ declare that the property identified herein

Tick relevant box

- Is used predominantly for the business of primary production. In my opinion, the relevant statutory value of the property is enhanced by potential for subdivision on an alternative use, i.e. higher than the value attributed to primary production use.
- Is not used predominantly for the business of primary production.

I make this declaration conscientiously believing the statements and information contained herein to be true in every particular.

Signed: _____ Date: ____/____/____
