INFORMATION TO APPLICANTS FOR COMMON EXPIRY DATES (C.E.D.)

- The client number quoted on the registration certificates should be included on the application.
- An applicant who has a Common Expiry Date approved has the choice of which vehicles the C.E.D. is applied to.
- The Department should be advised when a vehicle is to be given a C.E.D. or have one removed.
- Vehicles with a C.E.D. can only be renewed to that date. If a C.E.D. is requested for a currently registered vehicle, the next renewal of registration will be until the C.E.D. If that period is less than 15 months, proportionate Registration and Third Party Insurance will be charged.
- A "C.E.D." of 29 February, will not be approved.
