**STANDBY LICENCES ARE SUBJECT TO SPECIFIC CONDITIONS UNDER REGULATION 31(b) OF THE PASSENGER TRANSPORT REGULATIONS 2009. THESE CONDITIONS ARE OUTLINED BELOW AND MUST BE READ AND SIGNED BY THE APPLICANT PRIOR TO ACCEPTANCE OF THE APPLICATION.**

**CONDITIONS RELATING TO STANDBY TAXI LICENCES**

It is a condition of a Standby Taxi Licence:

- that the Taxi to which the Licence relates must not be used to ply for hire except in place of another licensed Taxi that is temporarily out of service- **(temporarily out of service relates to accident damage, repairs and overhaul, NOT a taxi that is garaged for any other purpose or in cases where vehicles intended for service are not ready)**;
- that the holder of the Licence will, before the Taxi is used to ply for hire on any occasion, notify the Minister in a manner and form approved by the Minister, of the proposed use of the Taxi;
- that one of the Taxi registration plates of the Taxi that is temporarily out of service must be kept fixed in the rear window of the Taxi to which the Licence relates in a manner approved by the Minister or an authorised officer, and kept clearly on display while it is being used to ply for hire;
- that the Taxi to which the Licence relates cannot be used in place of a Taxi operated under a general licence that requires the Taxi to be suitable to carry persons who use wheelchairs, scooters or other large ride-on mobility aids or under a special vehicle licence unless the standby Taxi is also suitable to carry persons who use wheelchairs, scooters or other large ride-on mobility aids;
- it is a condition of the Licence that the Licence is not transferable; and
- the registration plates remain the property of the Minister and must be returned upon expiry or cancellation of the licence.

**A BREACH OF REGULATION 31(b) OR ANY OTHER CONDITION PLACED ON THE LICENCE MAY RESULT IN PROSECUTION AND/OR THE CANCELLATION OF THE LICENCE.**

I have read, understood and accepted the above conditions of a Standby Taxi Licence.
