

Personal Alert Systems Rebate Scheme (PARS)

Approved Suppliers and Alert Systems

Government
of South Australia

Department of Human Services

PARS provides up to \$380 for the purchase and installation of approved, monitored alert systems. Until 30 September 2019 PARS will provide up to \$250 per year for monitoring services. From 1 October 2019 PARS will provide up to \$200 per year for monitoring services. Some systems let you choose to self-install; other are installed by a technician.

BE AWARE:

If you live outside the metropolitan area and require installation of your personal alert system, discuss this with your preferred supplier before purchasing a system.

Purchase costs for items such as key safes and additional pendants are not covered by PARS.

Approved alert systems do **not** require connection to the National Broadband Network (nbn).
