Please Note

A current Certificate of Inspection must be provided with this application. An Engineer's Report (not older than 3 months from date of inspection) may also be required with this application. Refer to Accreditation and Licensing for details.

Please refer to the **MR426 Light Vehicle Engineering Signatories – Vehicle Standards Fact Sheet** for a full list of Engineers recognised by DIT as being qualified in your appropriate automotive discipline. Large Passenger Vehicles may require a frame inspection as per the current Bus Age Limit Policy.

3. Applicants Declaration

It is a condition under the accreditation that the services provided in this vehicle are in accordance with your current Plan of Operation approved by Accreditation and Licensing. In addition, should you wish to work outside the approved plan you must have any changes approved by Accreditation and Licensing prior to providing the new service.

DECLARATION

I,..... Client No:.....

declare that the foregoing particulars relating to my Plan of Operation are true and correct. I also understand that there is a maximum penalty of \$15,000 for the submission of a FALSE DECLARATION to obtain Accreditation under the *Passenger Transport Act 1994*.
