

Country housing map

This map shows the country areas in South Australia where public, Aboriginal and community housing is available.

Use this map to select the areas you would be prepared to live in.

If you want to register your interest in housing cooperatives, find the areas where housing cooperatives are available at www.sa.gov.au/housing

Areas where housing is available are listed below. Some areas only have some types of housing available. Cottage flats are small public housing homes with 1 bedroom or a combined lounge and bedroom.
