

# Light Vehicle Engineering Signatories

The following engineers are recognised by the Department for Infrastructure and Transport (DIT) as being qualified in automotive disciplines relevant to the listed categories for light vehicles.

This list does not imply any guarantee by either the Government of South Australia or its agent, DIT, regarding the quality of service, the fee charged for the service or any acceptance of the contents of any report submitted.

DIT considers reports from interstate engineering signatories recognised by their relevant jurisdictions on an individual basis.

## ***Engineer & Contact details***

### **Stuart Croser**

Tonkin

(Adelaide)

Tel: 08 8273 3100

Mob: 0448 848 100

Fax: 08 8273 3110

[stuart.croser@tonkin.com.au](mailto:stuart.croser@tonkin.com.au)

## ***Recognised in these fields of work***

- passenger vehicles general
- new constructions - kit cars
- extended wheel base
- left hand drive conversions
- convertibles
- steering and suspensions
- seating/seat belts
- commercial vehicles general
- buses
- imported vehicle certification
- wheelchair accessible vehicles
- Australian Design Rule Compliance

**Recognised in these fields of work**

- passenger vehicles general
- steering and suspension
- imported vehicle reports
- compliance plate certification
- new constructions – kit cars
- left-hand drive conversions
- seating and seat belts
- convertibles
- extended wheel base
- passenger vehicle modifications
- engine conversions
- chassis and suspension modifications
- left hand drive conversions
- Australian Design Rule compliance
- imported vehicles
- new construction vehicles (kit cars)
- restraint systems (seatbelts etc)
- passenger vehicle general
- LHD conversion
- modified vehicles and street rods
- 4WD and off road
- trailers and caravans
- steering and suspension
- chassis and suspension stress analysis
- seating and seatbelts
- drivetrain and brake
- assessment
- imported vehicle assessment
- motorcycles
- crash repair reports
- passenger vehicle modifications
- convertibles
- extended wheelbase
- special seating mechanisms
- seatbelts
- steering and suspensions
- hand controls, rehabilitation
- import vehicle reports
- compliance plate certification
- new constructions - kit cars
- buses, fleet and commercial vehicles

**Engineer & Contact details**

**Joshua Smith**

Autest Automotive Transport  
Engineering Services & Testing  
(Woodcroft)  
Mob: 0438 827 350  
[josh@autest.com.au](mailto:josh@autest.com.au)

**Recognised in these fields of work**

- passenger vehicles general
- modified vehicles and upgrades
- custom and street rods
- independent review – expert witness
- verifications and approvals
- vehicle assessment and testing
- steering and suspensions
- new constructions - kit cars
- 4WD and offroad
- left-hand drive conversions
- seating and seatbelts
- trailers and caravans
- convertibles
- extended wheel base
- imported vehicle reports
- compliance plate certification
- motorcycles

**John Triantafyllou**

United Auto Engineering  
(Payneham)  
Tel: 08 8336 3214  
[john@unitedautoengineering.com.au](mailto:john@unitedautoengineering.com.au)

- Australian Design Rule compliance
- Automotive Vehicle Dynamics
- Chassis and suspension stress analysis
- Drivetrain and brake assessment
- Vehicle assessment and testing
- Independent review – expert witness
- Light vehicle modifications general
- Modified vehicles and upgrades
- passenger vehicle general
- new constructions – kit cars
- engine conversions
- roll over protective systems
- steering and suspension

**Jeffrey Tyler**

Tonkin  
(Adelaide)  
Tel: 08 8273 3100  
Fax: 08 8273 3110
