The following engineers are recognised by the Department of Planning, Transport and Infrastructure (DPTI) as being qualified in automotive disciplines relevant to the listed categories for light vehicles.

This list does not imply any guarantee by either the Government of South Australia or its agent, DPTI, regarding the quality of service, the fee charged for the service or any acceptance of the contents of any report submitted.

DPTI considers reports from interstate engineering signatories recognised by their relevant jurisdictions on an individual basis.

**Engineer & Contact details**

**Stuart Croser**

Tonkin
(Adelaide)

Tel: 08 8273 3100
Mob: 0448 848 100
Fax: 08 8273 3110

stuart.croser@tonkin.com.au

**Recognised in these fields of work**

- passenger vehicles general
- new constructions - kit cars
- extended wheel base
- left hand drive conversions
- convertibles
- steering and suspensions
- seating/seat belts
- commercial vehicles general
- buses
- imported vehicle certification
- wheelchair accessible vehicles
- Australian Design Rule Compliance

Recognised in these fields of work

- passenger vehicles general
- modified vehicles and upgrades
- custom and street rods
- independent review - expert witness
- verifications and approvals
- vehicle assessment and testing
- steering and suspensions
- new constructions - kit cars
- 4WD and offroad
- left-hand drive conversions
- seating and seatbelts
- trailers and caravans
- convertibles
- extended wheel base
- imported vehicle reports
- compliance plate certification
- motorcycles

- passenger vehicle general
- steering and suspension
- new construction vehicles
- chassis and suspension stress analysis (particularly tubular frames)
- computer and screen installations
- roll over protective systems
- welding consultation
- LHD conversions
- seating and seatbelts
- convertibles

- passenger vehicles general
- new constructions - kit cars
- extended wheel base
- left-hand drive conversions
- convertibles
- steering and suspensions
- seating and seat belts
- heavy vehicles general
- buses
- imported vehicles certification
- wheelchair accessible vehicles
- Australian Design Rule Compliance

- seats, seat belts and occupant restraints
- occupant protection, cargo barriers
- bull bars and external fittings
- towing connections and braking
